

A Fresh Take On Structured Settlements

Plaintiff-Focused Solutions
To Help Attorneys & Their Clients

ABOUT OUR COMPANY

Independent Life is the first and only life insurance company to focus exclusively on the structured settlement market. Its mission is to provide better settlement outcomes to injury victims and their families through higher payments, enhanced protective features, and best-in-class service.

FINANCIAL STRENGTH

Our company enjoys **industry-leading capital & surplus ratios**, as well as a **highly-rated** asset portfolio that is **well diversified**, which provides our payees with additional comfort that their future payments are safe and insulated from market volatility.

LEADERSHIP EXPERIENCE

Our executive team averages **36 years of experience** in insurance, asset management, and structured settlements. This team has led many companies through several economic collapses and life-changing events and is well seasoned to lead Independent Life through whatever lies ahead.

BETTER PRODUCT

Independent Life offers **market-leading rates**, a **one-of-a-kind medical underwriting** service for those that have catastrophic injuries, and the ability to create future payments for **both personal and non-personal injury settlements**.

“Independent Life is conservatively managed in all regards, and an excellent partner for managing and safeguarding the assets for injured individuals over the long term.”

– Michael A. Cohen, a former Vice President at A.M. Best and nationally recognized risk management expert
