

## INDEX-LINKED. MARKET-DRIVEN. CLIENT-FOCUSED.

When securing financial stability for your clients, choosing the right structured settlement product is paramount. **iStructure Select** offers greater flexibility, more growth opportunities, and a tailored approach to meeting your clients' needs.

### KEY ADVANTAGES

#### 1 Powerful Indexing Flexibility

With iStructure Select, clients can select up to three powerful indexes at inception, creating a diversified growth strategy that aligns with their financial goals:

- **S&P 500® Index (SPX)** – Capped at 10% growth, this option offers a familiar and transparent benchmark.
- **Nasdaq-100 Volatility Control 12%™ Index (XNDX12E™)** – Provides exposure to tech-driven growth, while managing market fluctuations.
- **Franklin BofA World Index™ (BOFAWD5)** – A globally diversified, volatility-controlled index, continuing from iStructure Classic.

#### 2 Extended Growth Potential

With a **50-year maximum certain period**, iStructure Select provides long lasting and sustained financial security.

#### 3 Higher Growth Potential Through Market-Responsive Participation Rates

iStructure Select employs a fixed Participation Rate Factor and formulaic Participation Rates adjusted annually to reflect market conditions — that could lead to higher Participation Rates compared to the fixed rate of iStructure Classic. This means clients have a better chance to capitalize on market upswings while still benefiting from controlled risk exposure.

#### 4 Ideal for Medium and Long Duration Cases

iStructure Select is engineered to be compatible with medium and long duration cases, making it a compelling fit for clients needing flexibility and performance.

**Why Choose iStructure Select?**

For plaintiff attorneys and their clients, iStructure Select is the smarter annuity solution, providing more choice, better participation in market growth, and extended security. Whether your clients seek stability, growth, or both, iStructure Select delivers a superior, customizable financial future.
